

# SLIDE IN AND OUT OF YOUR WORLD

BLAST PLUG BP81 Bluetooth Earbuds

## A Seamless Experience With Bluetooth 5

Bluetooth 5 technology provides stronger wireless connectivity for an improved listening experience versus Bluetooth 4 – that means clearer sound, greater range, and a more stable signal.

Plus, the earbuds automatically pair with your device upon withdrawal from the case (after the initial but simple pairing set-up) for instant delivery of impressively rich sound and powerful bass.

## Music At Your Utmost Convenience

With a magnetic sliding case that's both stylish and lightweight, truly wireless functionality, and both auto-power and auto-charge functions, it really doesn't get any more convenient than the BP81 earbuds. Plus, up to 3 hours of playtime per charge and a water-resistant design (IPX5-certified) gives you plenty of listening time and locations to enjoy your favorite tunes.

Auto-Power + Auto-Pair

Auto-Charge

## Bluetooth Earbuds

# Blast Plug BP81

### Features

- Bluetooth 5 technology provides stronger wireless connectivity and easy auto-pairing for a seamless listening experience
- Wire-free earbuds are equipped with auto-power and auto-charge functions that react instantly to withdrawal from and insertion into the case
- Water-resistant design (IPX5-certified) allows for worry-free listening during sweaty workouts and heavy rainstorms
- Truly wireless design delivers powerful bass and rich, immersive sound with superior clarity
- 1 hour charge time provides up to 3 hours of playtime, 4 hours of talk time, or 120 hours of standby time
- Sliding, magnetic case provides easy, convenient, and secure closure
- LED charging lights provide instant battery level status at the touch of a button
- Small and lightweight case is portable-friendly
