

Z20 Keyboard

INTRODUCTION

Part No: **811-W1-20FR-K2**

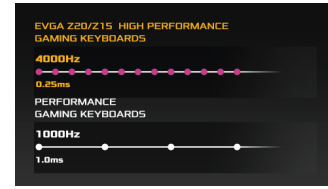

The Z20 keyboard delivers comfort and convenience with a proximity range ToF sensor and a premium Magnetic Approach Palm Rest. Powered by a 32-bit Arm Cortex-M33 core USB microprocessor, the Z20 offers the most advanced gaming keyboard experience, with a 4000Hz report rate. Customize the Z20 to fit your style with textured, double-shot shine through WASD, and Macro keys, alongside a left and right edge RGB bar. The Z20 features per-key RGB LEDs and can be configured through EVGA UNLEASH. LK Light Strike Optical Mechanical switches make the Z20, 25% faster than traditional mechanical switches. The Z20 offers speed, comfort, and premium quality features in a keyboard that has something for everyone.

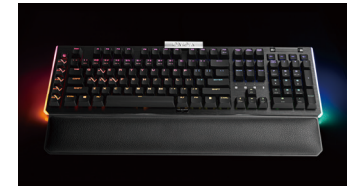

Volume Scroll Wheel & Multimedia Keys:
Dedicated volume wheel and media keys

Magnetic Approach Palm Rest

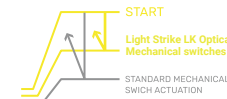

Real 4K report rate.
Powered by a 32-bit Arm Cortex-M33
