Handheld Fan

Instant Cool, Anytime, Anywhere.

The Verbatim Cool 'n' Go Ice Touch Mini Handheld Fan combines powerful airflow with an active cooling plate that lowers surface temperature to approximately 15°C for fast cooling relief. Compact and lightweight, it's ideal for travel, commuting and outdoor activities.

Its foldable design offers versatile use as a handheld fan, desktop fan or hands-free neck fan with the included lanyard. A clear digital display shows battery level and wind speed for added convenience.

Powered by a rechargeable battery, it delivers up to 10 hours of use depending on settings. The high-speed motor reaches up to 16,000 RPM, while USB-C® charging provides easy recharging at home, work or on the go.
